

PURCHASE ORDER TERMS AND CONDITIONS

1. Applicability.

(a) These Purchase Order Terms and Conditions (the "**Terms**") govern the purchase order issued by Elevate Quantum ("**Buyer**") that incorporates these Terms by reference (the "**Purchase Order**"). The issuance of the Purchase Order to the party identified as SELLER/VENDOR in the Purchase Order (the "**Seller**") is an offer by the Buyer for the purchase of goods specified in the Purchase Order (the "**Goods**") from Seller in accordance with and subject to these Terms. The Terms together with the terms of the Purchase Order are referred to herein as the "**Order**".

(b) The Order, together with any documents incorporated therein by reference, constitutes the sole and entire agreement of the parties with respect to the Order, and supersedes all prior or contemporaneous understandings, agreements, negotiations, representations and warranties, and communications, both written and oral, with respect to the subject matter of the Order. The Order expressly limits Seller's acceptance to the terms of the Order. The Order's terms and conditions prevail over any terms or conditions contained in any other documentation and expressly exclude any of Seller's general terms and conditions of sale or any other document issued by Seller in connection with the Order.

(c) These Terms apply to any repaired or replacement Goods provided by Seller hereunder.

(d) Buyer is not obligated to any minimum purchase or future purchase obligations under the Order, unless expressly written in the Purchase Order.

2. Acceptance. The Order is not binding on Buyer until Seller accepts the Order by providing a written confirmation to Buyer (email acceptable), or signing and returning the Purchase Order. If Seller does not accept the Order within 5 days of Buyer's issuance of the Order, the Order will lapse. Buyer may withdraw the Order at any time before it is accepted by Seller.

3. Delivery Date. Subject to Section 4, Seller shall deliver the Goods in the quantities and on the date(s) specified in the Purchase Order; if no delivery date is specified in the Purchase Order, Seller shall deliver the Goods within 5 days of Buyer's issuance of the Purchase Order (the "**Delivery Date**"). Timely delivery of the Goods is of the essence. If Seller fails to deliver the Goods in full on the Delivery Date, Buyer, in its sole option, may: (a) agree in writing to a different Delivery Date; or (b) terminate the Order immediately, without liability to Seller, by providing written notice to Seller, and Seller shall indemnify Buyer against any losses, claims, damages, and reasonable costs and expenses directly attributable to Seller's failure to deliver the Goods on the Delivery Date.

4. Reserved Quantity. If Seller delivers more than the quantity of Goods ordered, Buyer may reject any or all excess Goods. Any such rejected Goods shall be returned to Seller at Seller's risk and expense. The total Price (as hereinafter defined) for the Goods shall be adjusted on a pro rata basis to include any excess Goods not rejected by Buyer. Seller shall in no event deliver to Buyer less than the

quantity of Goods ordered except with Buyer's express prior written consent, which may be withheld in Buyer's discretion.]

5. Delivery Point. The Seller shall deliver the Goods to the address specified in the Purchase Order (the "**Delivery Point**") during Buyer's normal business hours or as otherwise instructed by Buyer.

6. Shipping Terms. Delivery shall be made at the Delivery Point in accordance with the terms in the Purchase Order.

(a) Title passes to Buyer upon delivery of the Goods to the Delivery Point. Seller bears all risk of loss or damage to the Goods until delivery of the Goods to the Delivery Point.

(b) Seller shall be responsible for arranging the shipping of the Goods to Buyer according to Buyer's instructions or, if there are no instructions, in a manner sufficient to ensure that the Goods are timely delivered in undamaged condition and in compliance with the terms and conditions of the Order, industry standard, and applicable law. Seller shall pay all costs of carriage and insuring the Goods in transit to the Delivery Point. Unless otherwise specified in the Purchase Order, the Price (defined below) includes all insurance, customs duties, packaging, and transportation costs to the Delivery Point.

(c) Seller shall give written notice of shipment to Buyer when the Goods are delivered to a carrier for transportation. Seller shall provide Buyer all shipping documents, including, but not limited to, the commercial invoice, packing list, air waybill/bill of lading, and any other documents necessary to release the Goods to Buyer within 3 business days after Seller delivers the Goods to the transportation carrier. The Purchase Order number must appear on all shipping documents, shipping labels, bills of lading, invoices, correspondence, and any other documents pertaining to the Order.

(d) Unless otherwise specified in the Purchase Order, Seller may not make partial shipments of Goods to Buyer.

(e) All goods shall be packed for shipment in accordance with applicable law and industry standards and according to Buyer's instructions or, if there are no instructions, in a manner sufficient to ensure that the Goods are delivered in undamaged condition. Seller must provide Buyer prior written notice if it requires Buyer to return any packaging material. Any return of such packaging material shall be made at Seller's expense.

7. Amendment and Modification. No change to the Order is binding upon Buyer unless it is in writing, specifically states that it amends the Order, and is signed by an authorized representative of Buyer.

8. Inspection and Rejection of Nonconforming Goods. The Buyer has the right to inspect the Goods on or after the Delivery Date. Buyer, at its sole option, may inspect all or a sample of the Goods, and may reject all or any portion of the Goods if it determines the Goods are damaged, defective, or otherwise nonconforming. If Buyer rejects any portion of the Goods, Buyer has the right, at its sole option and effective upon written notice to Seller, to: (a) terminate the Order in its entirety, without liability to Seller; (b) accept the Goods at a reasonably reduced price; or (c) require repair or replacement of the rejected Goods. If Buyer requires repair or replacement of the Goods, Seller shall, at

its risk and expense, promptly repair or replace the rejected Goods and pay for all related expenses, including, but not limited to, transportation charges for the return of the rejected Goods and the delivery of repaired or replacement Goods. If Seller fails to timely deliver repaired or replacement Goods, Buyer may replace them with goods from a third party and charge Seller the cost thereof and terminate the Order for cause pursuant to Section 17. Any exercise by Buyer of its rights and remedies under this Section 8 shall not reduce Seller's obligations or Buyer's rights and remedies under the Order or applicable law, and Buyer shall have the right to conduct further inspections after Seller has carried out any remedial actions.

9. Price. The price of the Goods is the price stated in the Purchase Order (the "**Price**"). If no price is included in the Purchase Order, the Price shall be the price set out in Seller's published price list in force as of the date of the Order. Unless otherwise specified in the Order, the Price includes all fees, tariffs, and applicable taxes, including, but not limited to, all sales, use or excise taxes. No increase in the Price is effective, whether due to increased material, labor, or transportation costs or otherwise, without the prior written consent of Buyer.

Buyer shall pay all properly invoiced and undisputed amounts due to Seller within [60] days after Buyer's receipt of such invoice. All payments hereunder must be in US dollars and made by [ACH]. Financial obligations of buyer payable to seller are contingent upon funds for that purpose being appropriated, budgeted and otherwise made available. If this PO is funded in whole or in part with federal funds, this PO is subject to and contingent upon the continuing availability of federal funds for the purposes hereof. Buyer represents that it has set aside sufficient funds to make payment for goods delivered in a single installment, in accordance with the terms of this PO.

(c) the Goods do not and will not infringe or misappropriate any third party's patent or other intellectual property rights; and

(d) Buyer will receive good and valid title to the Goods, free and clear of all encumbrances and liens of any kind.

These warranties survive any delivery, inspection, acceptance, or payment of or for the Goods by Buyer. These warranties are cumulative and in addition to any other warranty provided by law or equity. Any applicable statute of limitations runs from the date of Buyer's discovery of the noncompliance of the Goods with the foregoing warranties. If Buyer gives Seller notice of noncompliance with this Section, in addition to other remedies available to Buyer under the Order or at law or equity, Seller shall, at its own cost and expense, promptly replace or repair the defective or nonconforming Goods and pay for all related expenses, including, but not limited to, transportation charges for the return of the defective or nonconforming goods to Seller and the delivery or repair of replacement Goods to Buyer.
